How to sign up to receive text Alerts from Landmark College’s Emergency Alert System:

1. Make sure your cell phone has text messaging and is on:

2. Open a browser. Log in at https://intranet.landmark.edu with your username and password:

3. Click Emergency Alert:

4. Click Text Alerts. Then complete the form:
   a. Enter your cell (mobile) phone number.
   b. Select your carrier.
   c. Check: Agree to Terms of Service
   d. Click Create Account.
5. You are taken directly to your new Emergency Alert account. Get the 4-digit validation code texted to your phone. Enter it on the web page. Then click Validate:

6. You see the message: Code Successfully Validated.

7. You are done. Close the browser.
