**Program Information**

**Why Should I Participate in the LMC Notebook Program?**

LMC offers a recommended notebook package at a discounted price that includes all the software necessary for classes on campus. The notebook is fully supported onsite by our Lenovo (IBM) Certified staff - long delays to get support do not exist. Program students are 1st priority!

**Why Do I Need a Notebook at LMC?**

It is required that all new students coming into Landmark have a PC compatible notebook computer. You will be required to use your notebook for academic work so having one that meets the minimum requirements is very important.

**Student Comments:**

“The laptop program at Landmark College is second to none, the staff goes out of their way to make sure the students get what they need. First and foremost the service you get is great, the staff backs you up a 110%. Here at Landmark College when you buy a laptop you get the machine, ext. warranty, discounted software bundle and bag along with a die hard group of people to support you. Landmark College tech staff is friendly, knowledgeable, professional and caring. I wish I could take them with me to my next college.

### LMC Lenovo (IBM) Repair Center:

We have Lenovo Certified technicians on campus facilitating onsite repairs normally within 48 hours. Insurance repairs and claims are also handled at the repair center to avoid long delays. We provide a loaner while repairs are being made.

### Macintosh Notebook Policy:

We do not support the use of Apple Computers running only Mac OS X or Virtual Windows in our classrooms. You may bring a Mac to campus, but with the understanding that you will only be able to access the Internet. Other network resources on campus will not be available. This is necessary to provide a high level of computer support and software consistency in and out of the classroom.
