Where does wireless work?

- All classrooms on campus have access to wireless.
- The Library has wireless access on all floors.
- Student Center has access in Café Court.
- Admin auditorium and conference room has wireless.
- Dining Hall
- EAB Building
- Residence Halls

When you move your computer between buildings it is necessary to turn off your computer and restart it when you get to your destination. This not only helps in connecting your computer to the network, it also keeps your hard drive in good health.
