New Student Orientation

New Student Orientation is your introduction to becoming a student and community member at Landmark College. We have planned an orientation that will do the following:

- Orient you to making the most out of your five weeks at Landmark College.
- Give you an opportunity to meet and make connections with your fellow classmates.
- Give you an opportunity to meet and make connections with your advisor and professor/instructor for your required seminar, “Narrowing the Gap.”
- Help you acclimate to your new living and learning environment by giving you time to settle into your residence hall and get to know your way around campus.
- Help you prepare for the start of classes by introducing you to the program and the services available to you as a student.

Visiting Student Orientation Schedule

Sunday, July 4

Activities to be offered throughout the day on and off campus including fireworks, intramural games & barbecue.

Monday, July 5

Classes begin
The Academic Program

This program focuses on teaching the academic and self-management strategies required for success at the college level. It is geared toward students who have graduated from high school and are currently enrolled in a college or university and/or who have completed some college-level coursework.

Bright students may struggle in college for many different reasons, but it often comes down to one or two factors: a lack of effective academic strategies required for college-level work and/or a lack of self-management strategies with which to follow through on work.

Landmark’s Summer Session for Visiting Students provides students with the core support and strategies to help shore up underlying weaknesses. Specifically, we have designed a required seminar (“Narrowing the Gap”), which can be complimented by either taking another non-credit course designed specifically for Visiting Students or one of our many for-credit courses with other Landmark students returning for the summer session.

Our courses harness the best of our approaches gleaned over 24 years of working with high-potential students with learning differences and/or AD/HD. We ask students to come to Landmark ready to work hard, try out some new ways of doing things, and to remain open to experimenting with a wide range of strategies to address their problems. Our small classes are laboratories for self-growth and reflection, and often lead to a more confident attitude and provide a very specific set of strategies to use in the fall at college.

Required Course for Visiting Students:

Narrowing the Gap: Becoming a More Strategic College Student

This required, non-credit course will offer you the best of our experience in supporting you to move from being managed by your AD/HD or executive functioning and learning disabilities to being able to develop a set of strategies and a mindset that will help you function better in college and improve your self-management of your life in general. The central goal of this course is to “narrow the gap” between what you know you are capable of and what you have been able to demonstrate academically up to this point.

Through a structured, stimulating, and supportive seminar, taught by an experienced and skilled professor, who will also serve as your academic advisor, this course will introduce you to a host of proven strategies and resources for improving your executive functioning, working memory, study skills, and ability to meet commitments. The course will also help you to become your own best self-advocate in identifying and experimenting with the kinds of supports college offers that will help you be successful.

Students will:

- Improve executive functioning: planning, setting priorities, organizing, and following through on commitments;
- Develop insight into the ways in which they learn and function best;
- Manage writing and homework assignments;
- Engage in an effective approach to research;
- Develop a mindset toward college work that is confident and realistic;
- Sample, experiment with, and adopt specific strategies for becoming more strategic as a college student;
- Produce a final project synthesizing the knowledge and skills gained.
Class Schedule

Students can put together a program that allows them to get the most out of Landmark during the five weeks they are here. Courses meet five days a week (M-F) and each class runs for 2 ½ hours, either from 9-11:30 a.m. or from 1:30-4:00 p.m., with a few exceptions. You will need to take the required seminar either in the morning or afternoon, depending on the other courses you choose. You may also elect to take credit physical education courses at the end of the day as a way to unwind, get in shape, meet people, and have fun. Below is a menu of options that work around either taking your required seminar in the morning (9-11:30) or afternoon (1:30-4).

- Fencing
- Tennis
- Fly Fishing
- Golf Skills
- Karate/Self-Defense
- Yoga
- Stress Reduction

Drake Center for Academic Support (DCAS)

Advising and academic support will be available to students through the Drake Center for Academic Support (DCAS). Students can drop by or make appointments with faculty at the center. The DCAS offers support for skills development and practice, often using the student’s coursework. The center is staffed by Landmark College faculty and offer support in the following areas:

- **Writing** - Faculty support students in developing their writing at the sentence, paragraph, and essay level. Students can also work to develop their writing process, including generating ideas, organization of essays, revising and editing.

- **Reading and Study Skills** - Faculty provide support and instruction in a wide range of skills areas including reading strategies, comprehension, test preparation, note-taking, organization of time, time management and management of materials and information.
• **Advising** - Faculty provide students with assistance in accessing appropriate support services, setting short- and long-term goals, navigating administrative processes, understanding college policy and procedure, and forming strategies to improve class performance.

• **Math and Science Support for those enrolled in these courses**

**Library and Information Technology Services (ITS)**

**Library**

The Library offers quiet individual and group study space. The Library is fully equipped, with access to a large selection of current periodicals, computers, video and DVD players, and comfortable seating. Our book, video, and DVD collection not only supports academic needs, but recreational interests as well.

The library also provides academic support for research skills and assignments. Research assistance is available by appointment or on a drop-in basis. Library staff members are also available to help students use the library's public computers for academic work.

The Summer Session for Visiting Students also offers students the opportunity to visit the Learning Disabilities and AD/HD Research Collection on the Library's first floor. It houses one of the country's largest collections of books and videos on learning differences.

The Library is open Mondays – Thursdays: 8 a.m. to midnight, Fridays: 8 a.m. - 5 p.m., Saturdays: noon - 5 p.m., and Sundays: noon – midnight.

**Information Technology Services (ITS)**

Computers are available for coursework in the Landmark College Library, on the main floor and in the basement. These computers offer Internet access, scanners, and software, including: Microsoft Office, Inspiration®, Kurzweil®, and Photoshop. Students who bring their own computers (with a wireless or Ethernet connection and cable) will be granted Internet access through the College’s network.

**Tech Support**

If you are having trouble with printing, scanning, or internet access on any of the public computers, please contact the Tech Support Center located on the second floor of the Library.

**Living on Campus**

Connection. That is one of the words that define the campus experience at Landmark College. Students will be connected with an exceptional faculty and curriculum, exciting and engaging social, physical and intellectual activities, and fascinating students. We also understand how connecting all of these experiences together can enhance your experience. That connection starts in the residence halls, where your living experience will be supported and supervised by a Resident Dean; experienced staff that live in the halls and work with the academic program to help you connect the decisions you make on campus to your achievement in the classroom. Your residence hall is more than just a place to sleep and do your homework.--it is where friendships start and connection to the rest of your Landmark experience begins.

When does the learning experience stop? At Landmark College, we think the answer to that question is NEVER! In everything you do there is always an opportunity to learn in different and unconventional ways. Whether it is learning a new sport, talking about something that is interesting to you, or making new friendships, we’ll show you how your everyday activities can be turned into learning experiences.
The classes that you will take are only the start of your learning experience at Landmark College. At Landmark, we believe that your entire environment should be focused on challenge, learning, scholarship, and fellowship.

**Residence Hall Staff**

Residence halls are staffed with teams of Resident Directors (RDs) and Resident Assistants (RAs). The residence hall staff is responsible for maintaining a safe and secure living environment for students living on campus. RDs and RAs are part of the daily support and supervision and are an excellent resource for students who have questions or need advice.

**Resident Deans** are professional staff members who directly supervise the RAs and are available to students to address a wide range of needs. Resident Deans are a good resource for students to use when they need to discuss important issues or concerns.

**Resident Assistants (RAs)** are para-professionals who live on campus and work in the halls. They will provide direct support and supervision to program participants outside of the classroom. They are great resources for questions about life on campus, as well as about important policies and procedures.

**The Residence Halls**

All students in the Summer Session for Visiting Students at Landmark College will be housed in double-occupancy rooms. The residence halls are single sex by wing, with separate community restrooms and showers for men and women. The residence hall has its own social lounge and residential staff office, where the RDs and RAs perform duty coverage each night.

Please note that each residence hall room is equipped with a telephone jack and local telephone service, but no telephone.

**Non-Smoking Living Environments**

Residence halls (as all campus buildings) are non-smoking environments. Smoking is also prohibited within a 25-foot perimeter of each campus building.

**Roommate Assignments**

In this package, you will find a Housing Preference Form. The information you provide on this form will help us identify a roommate who most closely matches your lifestyle and living habits. Please be as specific as possible when filling out this form, as it will improve the likelihood of finding a compatible roommate.

**Internet Access**

All residence halls have wireless internet access as well as Ethernet jacks for each student.

**Laundry Facilities**

Laundry rooms with coin-operated washers and dryers are located in the basements of Aiken and Frost Halls. Washers are $1.25 per load, and the dryers are $1.00 per load. Prices may change.

**Damage Deposit**

All students will be required to submit a $75 damage deposit prior to moving into the residence hall. This deposit will be returned pending a satisfactory check-out of the room following the program end.
Your Room and What You Should Bring

Each student is provided with these basics:

- a bed & mattress (80 inch)
- chest of drawers
- wardrobe or closet
- desk and desk chair
- one overhead light
- wall-to-wall carpets (Room sizes are 10’ x 17’)
- each room has one window with blinds

You will need to provide your own:

- alarm clock (pick a good one!)
- pillows, sheets (80 inch), blanket and/or comforter
- towels and toiletries (shampoo, soap, razors, deodorant, etc.)
- fan
- wastebasket
- clothes hangers
- telephone (these can be purchased at the Bookstore on campus)

You may wish to bring:

- stereo or radio with headset
- small television with headset
- study lamp
- extension cords (but only with a surge-protector built-in)
- laptop computer (preferably with an Ethernet connection and cable for Internet access). The College is not able to provide technical support on personally-owned computers.
- A USB flash drive (this will aid in the use of public computers and printing)
- shower shoes
- shower tote
- small refrigerator

Things you can’t have in the residence halls:

- No open flames or heating coils. This includes candles, incense, toaster ovens, lanterns, and space heaters.
- No alcohol, alcohol containers, illicit drugs, or drug-use paraphernalia
- No explosives, firearms, firecrackers, weapons
- No decorations that hang from the ceiling of your residence hall room
- No pets
- No wooden constructions (lofts) or over-stuffed furniture that has not been pre-approved by the college.
The college reserves the right to require a student to remove an item, not on the list, that is deemed a fire or safety concern. If you are unsure about an item, call the Student Affairs Office at (802) 387-6714 BEFORE you pack it.

Finally, when you are packing, remember you will be residing at Landmark College for about five weeks. Pack wisely. All of your belongings must be able to fit on your side of the room. Also, the college cannot be held liable for any lost or stolen items, so use your discretion when you decide what to bring. If you are bringing valuables to campus, make sure they are covered under a homeowner’s policy, or you may want to purchase renter’s insurance.

**Athletics and Adventure Education**

Ever been part of a team? If you have, then you’ll know how great it feels when you are in a group that is working together. If you have not been part of a team before, then we hope you will take advantage of the intramural team sports available this summer.

Are you more into individual challenges? Then our indoor rock wall may be for you! As part of our Adventure Education department, you can develop the skills to master 30 feet of our multi-lane rock wall, with routes for the beginner to the experienced. Don’t worry…even though you are up there alone, there will be people on the ground supporting, guiding and cheering for you.

Meeting your physical needs helps you be a better student. The Landmark Campus is well equipped to meet many of your athletic and activity needs. Whether it is an intramural basketball or soccer game, a trip to the indoor rock wall or outdoor ropes course, or just some time to yourself in one of the fitness rooms, our programs and facilities are designed to keep you active and challenge the limits of what you think you can achieve.

**Activities**

Take a look around….that’s the theme we’re trying to get across in taking advantage of your campus experience. This theme holds true off campus as well. Southern Vermont and New England have a wide range of interesting sites and destinations. You may want to use our off-campus shuttle service to take in a movie or some shopping during the week, or participate in some of our longer trips on the weekend. You may also want to explore the back roads of the region on your own time, and our staff can help you find what you are looking for.

**Dining Facilities**

Students will eat their meals in the main dining hall located on the ground floor of Middle Hall.

**Cars on Campus**

Landmark College recognizes that many students want and need on-campus access to a car (or motorcycle) for personal use and offers parking privileges to all students. The College is also responsible for the safety of students, faculty, staff and visitors. To facilitate vehicle use by students and assure safety, the College has established vehicle regulations that are published in the Student Handbook.

All vehicles (including motorcycles, ATV, etc.) on Landmark College property must register with the Office of Safety & Security (Davis Hall, ext. 6899) within 24 hours of the vehicle’s arrival on campus.

If you bring your car to campus, vehicle registration forms are available at the Office of Safety & Security (Davis Hall), the Office of Student Life (Srauch Family Student Center), or the Business Office (Administration Building). Completed forms, accompanied by copies of the valid state registration, valid insurance, and valid operator license, should be submitted to the Office of Safety & Security.

After submitting completed forms, you will receive a parking permit to affix to your car windshield.
Postal Services

**Letter Mail:** Your letter mail is sent to the Student Affairs Office on a daily basis. If you receive mail, you will be sent an email and should pick it up in the Student Affairs Office.

**Shipping Packages & Trunks:** All packages and other deliveries are held in the business office in the administration building. Expedited packages would include deliveries by UPS, FedEx, etc. You will receive an e-mail notice when a package arrives.

**It is strongly discouraged to send cash in the mail (checks can be cashed in the Bookstore).**

Your address format for all **letter mail** is:  
Your Name  
Visiting Student Program  
Landmark College  
P.O. Box 820  
Putney, VT 05346

Your address format for all **expedited deliveries** is:  
Your Name  
Visiting Student Program  
Landmark College  
1 River Road South  
Putney, VT 05346

College Bookstore

The Landmark College Bookstore carries a variety of items, ranging from shampoo and soap to pens and three-ring binders. It also carries a variety of Landmark College warm-ups, caps, and T-shirts.

To purchase items in the store, you may use checks, cash, or credit card (VISA, MASTERCARD, or DISCOVER). The bookstore's phone number is (802) 387-6862.

Banking & Money

There is an ATM machine on the first floor of the Strauch Family Student Center and in the lobby of the dining hall. These machines accept most available ATM cards, allowing you to access an account from your hometown. The cost of use is $2.00 per transaction.

Cashing Checks

Landmark students are permitted to cash a check, travelers check, or money order in the College Bookstore. Checks must be from a parent, grandparent, guardian or issued by Landmark College.

Students can cash one check per week, and no check can exceed $200.00. Students must show positive identification, and they are not permitted to cash checks for other students.

A $50.00 service fee will be charged to any student for any check that is returned by the bank for any reason.

Counseling Services

Students in the Visiting College Students Summer Session may access a Mental Health Professional if needed.

Counseling Services, located on the 2nd floor of the Strauch Family Student Center) are designed to take into account the brevity of students’ stay on campus.

Counseling offers students temporary support and/or referral to post-program resources. We also work with the faculty and staff to provide referral services for students who may be in need of urgent mental health care.

Students or parents who have questions about support for their particular needs should contact the Student Affairs Office at (802) 387-6714 prior to enrolling.
In the event of a mental health emergency, please contact your Resident Dean, the Resident Dean on Duty, or Campus Security. They can assist you in accessing the appropriate resources on or off campus.

In life threatening emergencies, students should call 911 from any campus phone.

Confidentiality

The Counseling Center is a safe place for students. Students who visit have the right to confidentiality. What is discussed with a counselor will stay within the Counseling Center, unless:

- you give us written permission to do otherwise,
- you are a danger to self or others, or
- we are specifically required by law.
  (as in cases involving child abuse or if we are ordered by the court)

Health Services

Students in the Visiting College Students Summer Session may access Health Services if needed. The phone number for Health Services is (802) 387-6753.

The Health Center (located on the 2nd floor of the Strauch Family Student Center) is staffed by the Director of Health Services, Simonne Holton, Family Nurse Practitioner, and Liz Cooper, LPN. The Health Center is open Monday through Friday according to posted hours. After hours, evening, and weekend coverage is provided by on-call physicians at Brattleboro Primary Care. If medical services are required after hours, students should contact their Resident Dean or the Resident Dean on Duty for assistance in contacting the on-call physicians.

Health Services provides a wide array of services to students. Services include: diagnosing and treating acute illnesses and injuries, managing chronic medical conditions, prescribing medications and, providing health counseling, and referring to community agencies and resources.

Health Services provides confidentially to all students. Medical records are kept separate from academic records and can only be shared if:

- you give us written permission to do otherwise, or
- you are a danger to self or others.

Remember to plan ahead if you are taking medication regularly

Students will be responsible for self-administering and the safe keeping of their medications. Bring only enough medication to last for your five-week stay. Keep it in the original bottles that identify the prescribing physician, the name of the medication, the dosage, and the frequency of administration.

Health Services can be reached at 802-387-6753.
Travel & Accommodations

Travel by Car

From NYC and points South:

1. Take I-95 East to New Haven Connecticut.
2. At New Haven, pick up I-91 North.
3. Travel north through Massachusetts and into Vermont.

From Boston and points East:

1. Take the Mass Pike or Route 2 to I-91 North.
2. Once in Vermont, take exit #4 (Putney) off I-91 and proceed north on Route 5 for approximately two miles.
3. Go past the center of town and turn right at the Landmark College sign (River Road).

Travel by Air

The most convenient airport is Bradley International Airport in Hartford, Connecticut, about an hour and a half away by car.

Thomas Transportation Inc. provides shuttle service to and from the airport. Call Thomas Transportation at 800-526-8143 for information about rates and schedules. They also have a website at http://www.thomastransportation.com

Travel by Train

Take the Amtrak train to Brattleboro.
