Students are strongly encouraged to open a Campus Debit account at Landmark. This account allows students to use their student ID card to make purchases at the College Bookstore and Café, vending machines, dining hall, and Putney Pizza charging those purchases against their Debit Account. The Debit Account is a real convenience for students, assuring that there are sufficient funds available to make book and supply purchases at the beginning of the semester. More money can be added to the account balance at any time by using the Quikpay system. See “Making your way to Landmark College” for more info on Quikpay.
