Dear Parent/Guardian,

Participants in the Landmark College summer High School Program at Southern Oregon University must have permission in advance to leave campus overnight or after the stated curfew hours for any reason other than supervised, program-related activities. This policy is applied for safety reasons; it also assists the residence hall staff in their supervisory role. Please note: Permission to leave campus can only be granted by the primary parent(s)/guardian(s) on record with the College. Students may only leave campus accompanied by a parent, legal guardian or individual authorized by this form. If a student will need to leave campus other than at the end of the program, please complete the following form stating the times, dates and arrangements.

Due to safety concerns, access to residence halls is restricted to High School Program students and staff. Students wanting to have visitors in the residence hall must have permission of staff.

Please return the following information by mail (in the enclosed envelope) or FAX to 802-387-6868. Your permission, along with the following details, will be kept on file.
