Sending Packages Ahead

With today’s airline prices and luggage restrictions, you may be wondering how you are going to pack all you’re the stuff you want to bring to campus. The answer is simple….ship it!

You can ship packages and luggage to your attention at the College. We’ll hold it here for you until you arrive. Here is the address you should use:

The Health Services Clinic is open Monday-Friday from 9:00 a.m. to 4:00 p.m. The appointment schedule is as follows:

<table>

</tr>
<tr>
<td>Thursdays &amp; Fridays</td>
<td>By appointment from</td>
<td>9:00 - 11:30 am &amp; 1:00 - 4:00 pm</td>
</tr>
</tbody>
</table>

To make an appointment, stop by the office or call extension 6753 or 6302.
Seasonal & H1N1 Flu Clinics
The CDC continues to recommend that students get vaccinated for the seasonal and H1N1 flu viruses. The peak of influenza doesn't usually hit until January or later, so vaccination can still protect you against flu, even this late into the season.
Vaccinations for the seasonal and H1N1 influenza viruses are usually available through Health Services. To schedule a vaccination, you can either call the office at extension 6753 or 6302 or stop by to make an appointment. There are no flu clinics currently scheduled, so if you want to get vaccinated, it has to be by appointment.

Conduct Board Positions Available
The Office of Judicial Affairs and Community Standards is currently recruiting students, faculty and staff to apply to the Landmark Student Conduct Board. The Board investigates issues of alleged misconduct and works collaboratively to determine the assessment of responsibility and recommend the assignment of appropriate educational sanctioning. We are looking for people who are dedicated to upholding college policy and fostering the growth of both individuals and the community as a whole. Applicants should be fair, dependable, and mature, be in good standing with the college, and possess the qualities of a leader.

More information about the application process will be available the first week of the semester. If you are interested in this position, or have any further question, please don’t hesitate to contact Shelly Ann LaValley at (802)-387-6824 or email shellylavalley@landmark.edu.

Athletics & Adventure Education: Bring Your Gear!
Coach Jim Austin & Bethe Jankelson want to remind you to bring your gear for spring semester sports and outdoor activities. In particular, you should remember to throw your baseball or softball glove and cleats, tennis racquet, soccer cleats, ice hockey equipment, and golf clubs in with your stuff before you leave.

Also remember to bring clothing that will suit you for outdoor adventures, including under layers of polyester, fleece wool or silk, fluffy layers that include fleece, wool and down, and wind/waterproof barriers for an outer layer.

Reminder for International Students
Any student who is attending College on an F-1 visa (and any Canadian student) is required to report to the Dean of Students office within two weeks of the beginning of the semester.

The visit will only take a few minutes and will help you ensure that you remain in status. Please bring your passport, I-20, and I-94 card with you.

Student Leadership Conference
This spring’s S.A.I.L. Conference (Students Actively Involved in Leadership) is scheduled for Saturday, April 10, 2010.

This conference, open to all Landmark College students, provides an excellent opportunity for emerging and experienced student leaders to strengthen their leadership skills, exchange ideas, and expand their campus leadership network.

For more information on the SAIL Conference, please contact Michael Luciani at mluciani@landmark.edu.

Your ID Card Now Does More!
In addition to proving that you are a Landmark College student, your ID card serves as your dining card (you can’t get into the dining hall without it), your library card, provides access to Aiken Hall, and serves as your campus debit card for purchases in the bookstore, Fireside Café and vending machines.

During the fall semester, Putney Village Pizza began accepting your Landmark Points for purchases. You can dine in or take out and charge it to your card. Putney Village Pizza is open Tuesday through Sunday 11:00AM to 9:00PM 802-387-2203.

Lost or stolen cards should be reported immediately to Campus Security or the office of Student Affairs on the second floor of the Student Center. Once reported, the college will deactivate the card and issue a new card. Replacement cards are $15.00 and can be charged directly to your student account.

Bookstore Hours
The Landmark College Bookstore is open 7 days a week, starting Saturday, January 23, 2010. Hours are 1:00-6:00 pm on Saturdays & Sundays and 9:00 – 5:00 pm on Monday-Friday.

In addition to all of your textbooks and supplies, the Landmark College Bookstore has a wide range of campus gear, clothing and apparel, gift items, food, electronics, and personal items. Meal Plan Options Available

Landmark College and Chartwells have developed more flexible dining plans for students. Now, all meals ‘roll-over’ from week to week for the entire semester. You can eat more one week and less others and not have to worry about losing meals.

- The Unlimited Plan - This meal plan offers students the greatest value and opportunity to dine with friends as you can enjoy all meals offered on campus each week in Middle Hall Dining Room. **All students living on campus, regardless of their housing assignment, will be placed on a full meal plan (19 meals per week).**

- The 220 Plan - This plan is designed for students who want to eat an average of two meals a day on campus as you can enjoy up to 220 meals offered each semester in Middle Hall and have 175 Sharkbite points to spend at designated food venues. All students living on campus, regardless of their housing can change their meal plan to a 220 plan.

- The 150 Meal Plan - This plan allows students in the Bridges, Chumley and students living off campus greater flexibility. You can enjoy up to 150 meals offered each semester in Middle Hall.

- The Retail Plan - This option allows students in the Bridges, Chumley and students living off campus to utilize a declining balance account to purchase food items at Middle dining hall, fireside café or retail outlets. Students receive 1250 points with each point equaling $1.00.

Summer Programs & Courses

Students at Landmark College offer students a wide range of courses and opportunities to continue on with their studies and gain up to twelve credits toward their degree.

Credit programs on campus range from one course over three weeks for three credits to two classes over five weeks for six credits. Students often find that this change in semester format provides a welcome and effective schedule for a productive summer.

In addition to courses on campus, Landmark College runs a number of study abroad opportunities. This summer, students will have the opportunity to study in Greece or Ireland.
