Installing Dragon NaturallySpeaking®
Preferred version 9

1. Put the Dragon NaturallySpeaking® CD (Disk 1) into your CD-ROM drive. (Setup should begin automatically. If it doesn’t, open My Computer, double-click on the CD-ROM drive and then double-click Setup.exe on your CD.)

2. Follow the on-screen prompts.

3. Continue following prompts at each Window, entering information requested.

4. Choose your Setup Type: “Typical/Complete”.  5. Do NOT select the QuickStart option.  Click Install.

6. When prompted insert Disk 2 and click OK.
7. **Click Finish** to complete the installation. If you are connected to the Internet, you can register your Dragon online.

8. You may be prompted to reboot your computer.

9. **If you need any help installing Dragon on your computer, see Lee Alden, Technology Learning Services Coordinator in EAB 101 (ext. 6339, or e-mail TechLearning).**
